MEMO

RECORDED BY [REDACTED]

[REDACTED] 1led to advise
that we won one and lost one in East Asia Division.
First, the good news -- PMCD has agreed to the
GS-13 job for the Chief of the [REDACTED] in
East Asia. Now the bad news -- [REDACTED] could not
see his way clear to recommend a GS-12 for the
number two position in East Asia. However, Walt
agreed to re-survey the job approximately 4 months
from now to determine whether or not upgrading to
GS-12 could be accomplished. [REDACTED] will
attempt to re-align duties so as to justify the
12 position during the course of the next review.
